

## Save On Quality Pharmaceuticals from **First Veterinary Supply**

As a national distributor of quality, FDA-approved veterinary pharmaceuticals for licensed companion animal and specialty veterinary practices, First Veterinary Supply offers over 8,000 branded and generic products. We also have a wide array of biological, diagnostic, and medical supplies—everything you need to better serve your clients and to grow your practice.

### The Pharmaceutical, Surgical and Medical Supplies You Need—**Fast**

With competitive pricing, timely deliveries, an extensive selection of products and no long-term commitments, we deliver savings you expect from your veterinary distributor:

- A comprehensive product catalog of medical instruments, devices & supplies
- Consistent, competitive pricing with monthly manufacturer specials
- Extended office hours from 8am to 8pm EST to serve customers
- Rapid delivery—next day & Saturday
- Online orders late in the evening still receive next-day delivery
- Compliant with all drug pedigree laws

### **Broad** Product Selection

We offer a wide range of products from over 30 veterinary manufacturers, including Vetoquinol, Dechra and Virbac. We provide quality products not offered by larger distributors. As a multi-source human generic provider who has relationships with trusted manufacturers nationwide, we can often supply the products you need when others run out:

- Brand name veterinary products
- Veterinary generic pharmaceuticals
- Medical supplies and equipment
- Brand name human pharmaceuticals
- Human generic pharmaceuticals
- Compounded products

### **Value-Added** Support

Our in-house sales professionals have extensive industry experience – most are licensed veterinary technicians. Our team of dedicated associates has cultivated long-standing relationships with key pharmaceutical manufacturers, allowing us to be the supplier of choice to over 9,000 veterinary customers. We understand your needs, and offer value-added support services that help you grow your practice:

- Referral Program which pays you cash
- Online access to MSDS sheets & Veterinary Compendium product label data
- Vaccine program that manages your inventory & lowers costs
- Special programs for Board Certified specialists
- Easy, online Controlled Substance Ordering System (CSOS) for DEA-licensed users
